

Still Earth Location

Still Earth
143 Angel Road
Warnertown, SA 5540
Australia

Compiled by:
John Roeters

- 
- ▶ **Preamble:** This is a pictorial presentation of the birdlife found at the Still Earth location over a period of years compiled by Anthony North and John Roeters.
 - ▶ Visible on Google Earth the location has very little native vegetation so the birds observed are predominantly transient and/or migratory. Birds flying overhead have also been included.
 - ▶ Birds have been listed under two groupings **Passerines** (*birds with three toes forward and one back which facilitates perching*) and **Non-Passerines** (*birds with two toes forward and two toes back and can have webbing*).
 - ▶ *Picture have been downloaded off the Internet where they have not been copyrighted*

PASSERINES

Singing Honeyeater
(*Meliphaga virescens*)

New Holland Honeyeater
(*Phylidonyris novaehollandiae*)

Grey-breasted Silvereye
(*Zosterops lateralis*)

White-plumed Honeyeater
(*Meliphaga penicillata*)

Reed-Warbler
(*Acrocephalus australis*)

White-winged Wren
(*Malurus leucopterus*)

Australian Pipit
(*Anthus novaeseelandiae*)

Blackbird
(*Turdus merula*)

House Sparrow
(*Passer domesticus*)

Common Starling
(*Sturnus vulgaris*)

Black-faced Cuckoo-shrike
(*Coracina novaehollandiae*)

Magpie-Lark
(*Grallina cyanoleuca*)

White-backed Magpie
(*Gymnorhina hypoleuca*)

Australian Raven
(*Corvus coronoides*)

Willie Wagtail
(Rhipidura leucophrys)

Sunset
(Still Earth)

NON-PASSERINES

Galah
(*Eolophus roseicapillus*)

Budgerigar
(*Melopsittacus undulatus*)

Red-rumped Parrot
(*Psephotus haematonotus*)

Stubble Quail
(*Coturnix pectoralis*)

Crested Pidgeon
(*Ocyphaps lophotes*)

Domestic Pidgeon
(*Columba livia*)

Welcome Swallow
(*Hirundo neoxena*)

White-backed Swallow
(*Cheramoeca leucosternum*)

Nankeen Kestrel
(*Falco cenchroides*)

Collared Sparrowhawk
(*Accipiter cirrocephalus*)

Black Kite
(*Milvus migrans*)

Whistling Kite
(*Haliastur spheunurus*)

Black-shouldered Kite
(*Elanus notatus*)

Wedge-tailed Eagle
(*Aquila audax*)

Black-tailed Native Hen
(*Tribonyx ventralis*)

White-faced Heron
(*Area novaehollandiae*)

Little Egret
(*Egretta garzetta*)

White Egret
(*Egretta alba*)

Grey Teal
(*Anas gibberifrons*)

Black Duck
(*Anas superciliosa*)

Freckled Duck
(*Stictonetta naevosa*)

Black Swan
(*Cygnas atratus*)

Western Swamphen
(*Porphyrio porphyrio*)

Spotted Crake
(*Porzana fluminea*)

Azure Kingfisher
(*Alcyon azurea*)

Pied Cormorant
(*Phalacrocorax melanoleucos*)
